

RIDE

Take the ride of your life on the largest operating historic railroad in the South – the Tennessee Valley Railroad! Located in Chattanooga, Tennessee, the Tennessee Valley Railroad Museum (TVRM) will take you on an exhilarating RIDE using its completely restored, authentic steam and diesel powered passenger trains.

The *Missionary Ridge Local* excursion takes you through one of the oldest railroad tunnels in Tennessee. Explore a railroad yard, tour fascinating exhibits and experience the East Chattanooga repair shop and turntable on this 6-mile roundtrip. Trains run daily February through December and take about an hour.

Day long *Dixieland* excursions and half day *Chickamauga Turn* trips travel into Northwest Georgia and offer a sit-down lunch in our fully restored 1920s dining car., Departure dates, times, and train features vary, so please call or check www.tvrail.com.

Group Charters allow you to create your own trip. Full meals are available and will be catered to suit your needs.
